MEMBERSHIP FEES

Well, there's bad news and there's good news! It's that time of year again that you need to pay your membership fees for the coming year. The good news is that due to some fine work by the treasurer,

membership fees will stay the same as they have for the past couple of years. A renewal before 31st March will cost you \$40 but after that date the cost increases to \$45 so take advantage of the discount and pay now. Payments may be made in the usual way but, "Please. Oh Please!" if you are paying cash please put it in an envelope with your name on it before you give it to the treasurer. The people who pay by bank deposit ensure that you put your name in the payee section of the form so we know who is paying us money.

Joining members must attend three meeting before their nomination and induction and are subject to an additional joining fee of \$40 to cover badges and registration with PSPL.

COFFEE CLUB

Well, we had no Coffee Club in December so no doubt you are ready for a cup of coffee and a chat at our gathering in January. Coffee Club will kick off again on 29th January at 10am in the lower pavilion room at the Bradman Oval in Bowral.

Discussions will centre upon movies. "Hollywood Reporter" tells us that the top movies of all-time are "The Godfather", "Wizard of Oz" and "Citizen Kane" while IMDb claims, "The Godfather", "Shawshank Redemption" and "Schindler's List". What are your greatest movies of all-time, what are not worth the money on admission and which ones would you like to see again?

Come along and join us this month

SPEAKERS

As previously mentioned, our January speakers are Hugh Scott with the title "A Khaki Thread". The following guest speaker, Charlotte Webb will give us an "Update on Southern Highlands Botanic Gardens". Still room for more booking for our visit and tour of Sydney University's magnificent sandstone buildings and gargoyles plus the history of the university will take place on Tuesday, 11th February. The day will include a ninety-minute guided tour of the university buildings and grounds and a visit to the Great Hall. Wonder at the features that make the campus unique, including the kangaroo gargoyle, the Great Hall, MacLaurin Hall and Sydney University Museums, and learn about the University's role in the development of education in this country. MOVIE AND LUNCH

"1917" is an epic war drama based in part on an account told to the writer by his paternal grandfather. It chronicles the story of two young British soldiers during World War I in the spring of 1917 who were given a mission to deliver a vital message. Come along and enjoy this movie with some of your fellow members.

As it has only just been released the date and time will be advised directly very soon.
