MOST IMPORTANT

Please note this important change to our general meeting schedule. The general meeting that was set down for our regular date (second Thursday) has been moved back one week to Thursday, 19th August at 10 am in the Carrington Room. This change has been required as our usual meeting room is too small for a group our size and thus does not comply with the Covid rules. Further general meetings may also be moved to another date depending on the Covid restrictions applying at that time.

The seminar on climate change planned for Thursday, 19th August has now been moved to Friday, 3rd September.

Coffee Club on the last Wednesday of each month has been suspended until further notice.

WHAT'S ON	
19 th August	General Meeting
Suspended	Men's Coffee @ Bradman
3 rd September	Club Seminar
10 th September	Ladies Day (to be confirmed)
16 th September	Cowra Break
Events calendar will be updated as the future becomes clearer.	

HAPPY BIRTHDAY

One of the few things that are constant these days is birthdays! So, celebrating this month we have

Graeme Stapelfeldt	Jim McGrath
Peter Eustace	John McKenzie
Geoff McNamarra	Davis Deans
Randolph Barnes	Peter Compton
Roger Hodgson	Rob Chapman

Birthday wishes from all club members and good luck in the draw for the bottle of wine which will be held at the general meeting as usual.

COFFEE CLUB

As previously mentioned, coffee club for August has been cancelled and this is because the venue cannot cater for us under the current restrictions. However, that does not stop smaller groups meeting at Bradman Café or a venue of your choice. So please take the opportunity to get together with other members of the club for a friendly chat and an

enjoyable cup of coffee. It only takes a couple of phone calls to organise a coffee gathering!

SPEAKERS

Our club speaker for the 19th August meeting is Peter Eustace who will speak about his experiences of the "Cold War in Berlin". Following Peter, Tina McPherson will relate her cricketing career in "Journey to a Baggy Green".

Next month is a ladies' day and we are privileged to have the founder of the Higher Ground Raptor Centre, Peggy McDonald OAM CF. For forty years Peggy has been involved in the rescue and rehabilitation of Australian raptors. This will be a fascinating experience so be sure to put the date in your diary.

LADIES DAY

Ladies are invited to our Friday, 10th September (to be confirmed) meeting when we will have a speaker of special interest (see above). Please note the day and date may change

SEMINAR

You are invited to attend the delayed climate change seminar the Mittagong RSL Club in the Carrington Room commencing at 10am on Friday, 3rd September. All members are invited to attend and participate on the day. The format will include talks by club members who have special interest and knowledge in the various areas of climate change and attending members will be offered to

contribute their thoughts to the pool of knowledge on the day.

The day will include morning tea and there will be a charge of \$15 to cover hall hire and morning tea. Please make payments in your usual way into the club account. Details for payment are below.

VIETNAM VEHICLE COLLECTION

Unfortunately, this event was cancelled but we will endeavour to schedule this again at a later date

COWRA BREAK

At This stage we are planning to go ahead with this tour. Gordon has consulted the regional medical officer and our tour complies with the current regulations. There may need to be some minor adjustments because of the size of our group such as half the group in smaller venues at one time.

Cancellations for this tour will be accepted up until Thursday, 9th September.

All enquiries should be directed to Gordon Dummer email gordon_dummer@bigpond.com or phone 0418 343556. You may also find details of any club activity in the previous newsletter on our website at <https://www.probusmossvale.org.au/>
